Principal’s message:

Welcome to Sunshine Heights Primary School!

Thank you for taking the time to explore our website to learn more about the exciting things happening at Sunshine Heights Primary School.

Our school is situated in the inner western suburb of Sunshine. We currently have an enrolment of 280 students. The students at our school come from diverse cultures and we pride ourselves on the harmony we have achieved between students from such multicultural backgrounds.

At Sunshine Heights we aim to develop resourceful, resilient students who are equipped with the academic knowledge and personal skills to function as successful individuals in a technologically advanced society.

We cater for a variety of learning styles within our curriculum programs and value the partnerships between school, home and the wider community. We recognise that students learn at different rates, therefore we have a variety of support programs to scaffold students in their learning.

Our professional and highly trained teachers provide a learning program that aims to develop the social, emotional, physical and intellectual skills that each child needs to achieve their potential into adulthood. In each classroom teachers foster a safe and happy environment where students are valued, praised and encouraged to take risks or to “have a go”. Our learning data proves that we have excellent teachers!

If you are interested in enrolling your child and would like a tour of the school, please contact our friendly office staff on 9311 2910. We would be delighted to meet you and your child/ren and discuss any further queries with you.

I know you’ll enjoy our website and I hope to have the opportunity to meet you in the near future.

Alex Artavilla
Principal
Sunshine Heights Primary School
