Dear Parents and Carers,

Term 4 promises to be another very busy but exciting term. We have lots of fabulous activities planned so keep a look out on Flexibuzz and in the newsletter so you don't miss anything.

As we move into the warmer weather we need to be sure that we are protected against those damaging UV rays. Teachers will be talking to students about taking care of their health by wearing a hat to protect their skin from damage when playing or learning outdoors. We ask that you support us by making sure your child has a hat at school every day even when it may appear overcast. Please make sure the hat has your child's name on it so that we can return it if it gets lost or accidentally left behind in the yard.

Grade 2 Sleepover

There is a buzz of excitement around the Grade 2 classrooms this week as anticipation builds for the Grade 2 Sleepover. The students have been looking forward to it all year, as have the teachers. A great deal of planning has gone in to making the sleepover a great night for all. Thanks to all the staff involved for giving up time with their own families to make the night possible. Parents if you are unsure of drop off or pickup times for the sleepover please contact the office or your child's classroom teacher.

Argentinian Fiesta

Senorita Irene is 'muy emocionada' about our fabulous Argentinian Fiesta which is happening on Wednesday October 24th. There are many activities planned for the day and to fuel us up with energy Senorita Irene has arranged for an Argentinian chef to cook Empanadas and Choripan for us. I am sure they will be as 'delicioso' as the Paella last year. .

For catering purposes please make sure you have all orders in by the cut-off date which is Tuesday October 16th. If you have misplaced the order form, you can call into the office for a new one. We may not be able to process late orders and would not like anyone to be disappointed.

Student Free Days 2019

School Council recently approved the following student free days for 2019

I hope everyone has had a great start to term 4 and I look forward to sharing all the wonderful learning opportunities planned for the term!
