## DAVID'S MESSAGE

Welcome back to term 2 and what has been a great start for our students and teachers. We have a few staffing changes to share with you all. As you may be aware, Jamie Sturzo in Year 2 is due to have a baby and will leave for maternity leave next Friday. Paige Stokes, currently our Tutor and previously in Year 2 will take over from Jamie in week 3. Christine Forrest, who has previously worked extensively in Reading intervention, has stepped into the role of Tutor. This all means we have appointed a new PE teacher - Dane Barun. Dane is incredibly passionate, a skilled basketball and AFL player, and also has a creative streak to share with us all. We warmly welcome him to the Sunny Heights team and know he is very excited to meet the students and families in the coming weeks. Please make him feel welcome and say a big hello when you see him!

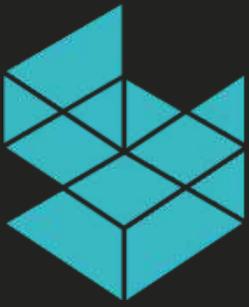

### Dates to Remember:

Twilight School  
TBC  
Mother's Day  
Sunday 9th May  
NAPLAN Testing Window  
11th - 21st May  
Queens Birthday Holiday  
Monday 14th June  
End of Term 2  
Friday 25th June

## 'THE SUNNY POD' PODCAST

The Sunny Pod podcast episode 3 is still live at:

# PARENT IPAD EXPERIENCE

DISCOVER A UNIVERSE OF ENDLESS  
POSSIBILITIES

**SCHOOL GYM @ 4:30PM  
WEDNESDAY 5TH MAY**

As you all know, after the impacts of 2020 and the global pandemic, we know that our students need digital literacy skills to innovate in an increasingly technological world. We also know that students need to explore the digital world in a supported way to ensure they are safe, resilient and aware. We are lucky to have an opportunity for parents to explore some possibilities of using technology in creative ways to spark our curiosity. Due to restrictions we can have up to 120 parents in the gym. We would love to see you there and gain your insights, concerns and aspirations for technology at SHPS moving forwards.
