### Parent opinion survey

**We want our parents to tell us what they think!**

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst all parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour, student engagement and experiences of remote and flexible learning. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

All parents will be invited to participate in this year's survey. All responses to the survey are anonymous. This year, the Parent Opinion Survey will be conducted from Monday 12th October to Friday 13th November.

### School Student Dress Code (School Uniform)

Our school's Dress Code is due to be reviewed this year. This gives us an opportunity to ensure that the dress code meets the expectations of our school community.

The purpose of the Student Dress Code is to outline our school's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support our school's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The school council invites you and your child to provide input into the Dress Code by completing our survey

A copy of our current Dress Code can be found on our website

Please provide your feedback by Thursday, 29 October.
