Dear Parents,

I hope everyone has enjoyed the holiday break and for all those who enjoy the warmer weather I am sure you are happy to see the temperatures rising over the next couple of months.

Mr Artavilla (Term 4)

As you will be aware Mr Artavilla had the opportunity to fill a short term vacancy as a Senior Education Improvement Leader towards the end of Term 3. He really enjoyed the challenge of the role and was able to look at educational practices across the region and gain insights which will assist our school to keep improving on the good work we are already doing.

A longer term vacancy has arisen for a similar role. Mr Artavilla applied and was successful in being appointed to the position. This means that he will be working at the regional office during Term 4. We are all very thrilled for him and know that he will do a wonderful job. He will develop skills and knowledge which can only be beneficial all round.

The Region will advertise for someone to fill the Principal role while Mr Artavilla is away. We anticipate that the position will be filled and the new person be ready to start at the beginning of Week 2 Term 4. This position will be until the end of the year.

In the meantime, I will continue in the role and as has always been the case, I will be well supported by the other members of the Leadership team and the highly committed staff. Mrs Goldie and I have decided not to apply for the role as Term 4 is a very busy term, with lots of forward planning to be done for 2019 and we need to be free to do our current roles.

Mr Artavilla will still be very much involved in decisions around staffing and forward planning for 2019. He will be calling in on a regular basis and having input into decision making.

If you have any questions please feel free to come in and have a chat.
