DAVID'S MESSAGE

Thank you to those of you who came to our Mother's and special person's morning today; it was beautiful to see so many amazing mums, dads, grandmas and grandpas, aunts, uncles and carers. A big thank you to Anthony and Jasmine for their performance of a few golden oldies to help share the love with our community. We know that all our students care so much about their special people and can't wait to spend the day with you all on Sunday.

On Wednesday and Thursday this week we had our visit from CultureTech, demonstrating to parents and students the power of using digital learning to nurture creativity and curiosity. We will keep on exploring this space as we look to bring more technology into the school to enhance digital learning. School Council has formed a new subcommittee, Digital Learning, in order to ensure parent voice and aspirations for technology are firmly represented. We'd love to hear your thoughts on digital learning, iPads and your hopes and concerns about this in schools. Please feel free to come and have a chat with us and we will be able to listen and include your thoughts in our vision for digital learning.

'THE SUNNY POD' PODCAST

The Sunny Pod podcast episode 4 is still live at:

SCHOOL COUNCIL UPDATES

School Council met on Wednesday evening for our first time as a new and complete group. The subcommittees have begun to scope out their work for the year and I know they are excited to use the newsletter as a means of communication with our whole community. Our subcommittee convenors are:

Digital Learning - Luke Pye

Out of School Hours Care - Reuben Meltzer

Canteen - Jess Brown

Policy - Sarah Weston

Buildings and Grounds - Steve Hardiman

Finance - Christina Pham

Fundraising - Matthew Schultz

We will shortly advertise when each of the committees meets and their main foci for the year. Parents are welcome to come along and chat with the committees and find out about how you can support our community.

THE CANTEEN IS BACK ON FRIDAYS ONLY

The Canteen menu has been reduced, along with the number of days, due to the low number of students ordering a meal.

Sunshine Social will now provide canteen services every Friday.

The menu is:

Burger (cheese, tomato sauce)

Penne Bolognese (just beef meat)

Vegetarian pizza (tomato, mushroom, red capsicum)

As always you can order through the QuickCliq website using the link below. If you do not yet have an account please sign up and add your child.
